Message

SHRI ASHAD ALI KHAN
PRINCIPAL I/G

This Newsletter amply shares the joy of learning, the enthusiasm and the talent of our little children, the achievements and activities of the year and the challenges and needs we have before us.

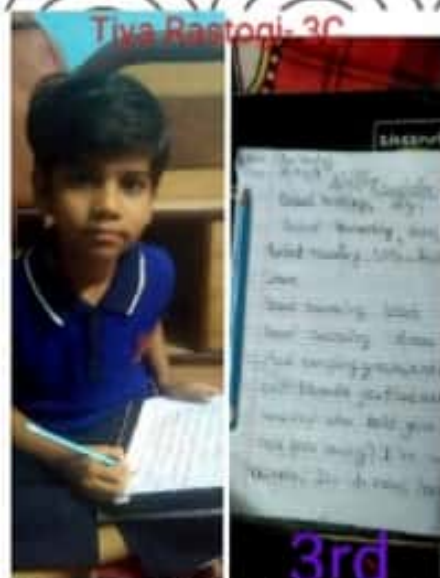

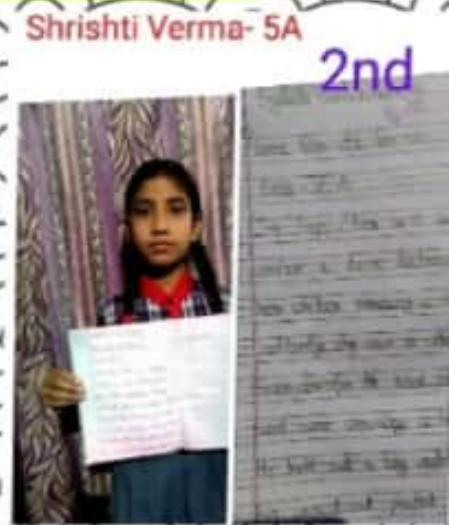

It gives me immense pleasure to bring out the activities of my primary section through this E-newsletter.

It mirrors the activities of primary section under CMP during this ongoing pandemic. The sole aim of all the teachers of our team is to create a positive approach in the young minds so they come out victorious in every step of their life.
